Main purpose of job

To deliver the highest quality presentation of the lighting, sound and AV elements of all delegated productions, events and projects in an efficient manner that promotes a safe, healthy and sustainable working environment and a positive culture of engagement.

Scope

Stage Electricians will focus on practical delivery of delegated Electrics Department tasks, maintaining standards and developing performance.

Key responsibilities

Production

- Apply your practical stage electrical skills, knowledge and experience to ensure that productions are presented to the highest possible standard, and that the production team's creative and artistic vision is reproduced accurately and consistently.
- Safely rig and focus lighting equipment.
- Operate Follow Spots, as required.
- Set up and operate basic comms systems and CCTV systems.
- Apply your specialist skills to one or more of the following:
 - Set up and program and operate ETC EOS lighting control.
 - Set up and operate modern Live Sound Systems (Sound #2)
 - Set up and operate Performance Video Systems (Engineer not programmer)
- Support the work of all WNO departments including rehearsals, productions, concerts, digital work, smaller scale productions and events.
- Assist with ensuring that areas used by Electrics Department are kept clean and tidy, and that all departmental equipment is correctly stored and maintained.
- Assist with the Get In and Get Out of toured equipment.

Administration & Finance

- Follow Electrics Department and wider WNO administrative systems, assisting with the administration of time sheets, holiday records, and other staffing related data in conjunction with the People & Culture Department.
- Provide reports and information as may be required in the execution of these duties.

Stores

- Undertake electrical and mechanical maintenance of all touring electrical, audio and visual equipment.
- Undertake Portable Appliance Testing of equipment and to keep records.
- Make and prepare the electrification of any scenic or property element as demanded by the production.

Health & Safety

- Assist with the promotion of a positive safety culture within the stage department, adhering to the Company's Health & Safety policy, rules and regulations at all times.
- The post carries responsibilities as set out in the WNO Health and Safety Policy, as amended.
- Familiarise yourself with and follow risk assessments and Safe Systems of Work for delegated Stage Department activities.
- Assist with the Electrics Department equipment compliance and maintenance programme.
- Assist with ensuring high levels of public safety and stakeholder care and work in such a way as to promote a culture of safety.

General

- To behave in accordance with our values.
- To maintain confidentiality and observe data protection and associated guidelines where appropriate.
- To ensure compliance with our policies and procedures at all times.
- To undertake any training appropriate to the post.
- This is a touring role. The role will be based at WNO's sites in Cardiff during the production and maintenance period but will involve regular travel to locations within the UK and abroad.
- The role will focus practical delivery but the keeping notes and plots will be required.

The duties in this job description are not exhaustive and may be altered at any time to reflect the changing needs of the organisation. The post holder will be required to undertake such duties and responsibilities as may reasonably be expected from time to time within the scope and grading of the post.
